

The HYATT REGENCY LAKE TAHOE is the ULTIMATE WINTER DESTINATION WORLD-CLASS SKIING, GROUNDBREAKING DINING and a LUXURIOUS SPA AWAIT

INCLINE VILLAGE, NV — The Hyatt Regency Lake Tahoe Resort Spa & Casino is among Lake Tahoe's most prized properties. Boasting an unbeatable location on the North Shore of Lake Tahoe with its own private beach and stunning 360 degree views of the surrounding Sierra Nevada, the resort is the ultimate wintertime destination for families of all types. The amenities and activities available at the Hyatt are almost too numerous to mention — from tackling double-black diamond ski runs or taking a turn on a blackjack table, to relaxing at the spa or enjoying exceptional cuisine in one of several on-site restaurants.

EXCEPTIONAL SKIING

Named one of the Top 50 Ski Resorts in North America for both 2007 and 2008 by Conde Nast Traveler readers' poll, Hyatt Regency Lake Tahoe is located at an elevation of more than 6,000 feet and only a short ride to some of the country's top skiing destinations. This winter season, The Hyatt entices skiers of all levels with three spectacular packages, to the area's top skiing destinations, which will help make your winter vacation fun and hassle-free. Ski packages to Diamond Peak or Alpine Meadows include deluxe accommodations and two adult lift tickets to the ski areas, along with complimentary door-to-door shuttle service to and from the mountain. Can't decide? Hyatt Regency Lake Tahoe also offers a catch-all ski package that includes two adult tickets per night's stay to your choice of Squaw Valley USA, Northstar, Heavenly, Mt. Rose, Alpine Meadow, Homewood or Diamond Peak. Leave the car in the parking lot, all the ski resorts provide complimentary shuttles (check with the concierge for schedule). Other perks abound with complimentary valet parking, ski valet and shuttle service within Incline Village and \$5 casino match coupon are among the amenities available to guests of the resort.

CLASSIC TAHOE LUXURY

Entirely redesigned to reflect the essence of classic Tahoe luxury in the magnificent 1920s grand lodge design style,

Hyatt Regency Lake Tahoe's "New Grand Lodge" incorporates rough-hewn beams, rich leathers, and massive granite features throughout. Each of the resort's 422 guestrooms offers sweeping lake or mountain views along with a cozy ambiance and state-of-the-art amenities. The Lakeside Cottages — located right on the shores of the Lake — are by far the most coveted. Strategically located throughout the hotel are photos from the early days of Tahoe. They provide a nostalgic look at the trailblazers who were the first to work and play in the area.

INDULGENT SPA

The resort is also home to one of the region's largest and most indulgent spas. The 20,000-square-foot Stillwater Spa offers everything from sports massages to acid peels in addition to salon services. Guests hurrying from the first runs of the season will appreciate Stillwater Spa's new winter treatments: "Back" Country Escape treats sore muscles with a warm Lake Tahoe Stone massage and High Sierra aromatherapy, while the Deep Powder Renewal offers an herbal relief wrap with juniper, thyme, and cinnamon followed by a full body sports massage. Sporty types will also appreciate the Hyatt Stay Fit gym and lagoon-style swimming area with a year-round, heated pool and two oversized jet spas.

APRÈS SKI

After hitting the slopes, après ski in Lone Eagle Grille's Great Room is not to be missed. The bar's innovative cocktails are even more delicious when paired with vocals and acoustic guitar music performed by long-time Hyatt favorite Luke Stevenson. For a unique treat, enjoy your handcrafted martini beside the blazing fire of Lone Eagle's outdoor fire pits, right next to the resort's private beach.

HIGH SIERRA CUISINE AT LONE EAGLE GRILLE

For an exceptional dining experience that truly exemplifies the spirit and flavor of the region, epicureans will love Lone Eagle Grille Chef de Cuisine Mark May's newly de-

vised High Sierra Cuisine. When he is not discovering new terrain backcountry skiing, Chef May is creating creative wild game and meat dishes evocative of the mountain destination combined with inspired fresh seafood preparations and the best regionally sourced, seasonal produce. This winter, High Sierra Cuisine means sophisticated yet approachable comfort foods. Sensational seafood, flown in daily, makes headlines along with plump wild Yellowfoot Chanterelles mushrooms, briny northwestern oysters, and richly flavored game meats. Indulge in Butter-Poached Sea Bass, Braised Leeks, Pesto Polenta, and Tomato Caper Salsa or Rack of Colorado Lamb with Ratatouille, Chickpea Fries and Tomato Garlic Lamb Jus.

CAMP HYATT

A fun and educational experience with the experienced staff of Camp Hyatt, little ones are entertained with games, movies, mountain-themed activities, and maybe an occasional trip to the in-house game arcade while parents have a bit of time to enjoy themselves, as well.

COZY CASINO

As if that is not enough, the resort offers top-notch gaming at the Grand Lodge Casino. Very different from the glitz of South Shore's casinos, Hyatt's full-gaming casino, temptingly located just off the lobby, is a decidedly classy alternative, echoing the gracious lodge-themed style of the rest of the resort.
