MAMMOTH LAKES, CA – Mammoth Lakes is your home base for Mammoth Mountain, June Mountain, 100 miles of snowmobiling trails, 150 miles of cross-country skiing and snowshoeing trails, and your newest winter tradition. From families to extreme athletes, from budget to four-star, Mammoth Lakes has something for just about everyone.

Mammoth Lakes has a lot to share with the announcement of new commercial flights, new helicopter scenic tours, new lift at Mammoth Mountain, and the Tubing Park purchase, just to name a few.

NEW WINTER FLIGHTS

There has never been a better time to visit Mammoth Lakes, Calif., with new winter flights. Mammoth Lakes is just a short one-hour flight from San Francisco, San Jose, Orange County and San Diego. As always, you can fly year round from Los Angeles. It is only a 10-minute drive from the airport to town. For more information log onto www.VisitMammoth.com/fly

TOP THREE REASONS TO FLY DIRECT

Flights take just one 1 hour from Southern Calif.

The flights should be called "Mammoth Lakes Scenic Tours." Bring your camera.

Your average speeding ticket costs more than the flight.

HELICOPTER SCENIC TOURS

Enjoy breathtaking views of the Eastern Sierra mountain range by helicopter. Mammoth Lakes now has helicopter scenic rides, operated by SkyTime Helicopter Tours. Tours fly out of the Mammoth Yosemite Airport that is only a 10-minute drive from town.

NEW HIGH-SPEED QUAD LIFT

Mammoth Mountain has replaced the popular Chair 5 lift with a new high-speed quad. This new chair will move 600 more people up the mountain, resulting in shorter lines and more skiing and snowboarding. For more information, check out www.MammothMountain.com

WOOLLY'S SUMMIT ADVENTURE TUBING PARK

Sled tubing park was purchased by Mammoth Mountain and will now be called Woolly's Summit Adventure Tubing Park. It is all the fun of sledding but without the hike back up the hill. Check out this new lift-accessed tub-

Last year Mammoth Mountain was frequently in the news for its record snowfall of more than 55 feet. It marked the second year in a row that it was open until July 4th.

ing adventure during your visit. It is advertised to attract kids but is fun for your whole group.

UNIQUE OFFERINGS

Looking for unique? Here are three favorites:

Take a snowcat to happy hour and enjoy overlooking Mammoth Lakes' signature skyline: the Minarets.

Ride on a dog sled through the Inyo National Forest with Mammoth Dog Teams.

Tamarack Cross Country Ski Center offers 19 miles of groomed track for cross-country skiing and snowshoeing. The highlight of their offerings is the moonlight tours. Enjoy a brilliant moonlight tour that ends with dessert beside a cozy fireplace.

AFTER YOUR DAY OF PLAY

After your day of play, you have plenty of options. Which do you prefer: family restaurant or fine dining? Relaxing at a full-service spa or dancing the night away to live music? The Village at Mammoth is a popular gathering spot offering not only dining and nightlife, but free music and kids events throughout the year, too.

MAMMOTH LAKES – TRULY A SKI TOWN

You stay in Mammoth Lakes, and you ski in Mammoth Lakes. No commute required. Walk, bus or take the gondola to Mammoth Mountain. With 3,500 acres, 28 lifts, 150 trails. Mammoth receives so much snow that the lifts were transporting very happy visitors until July 4 for the last two years.

JUNE MOUNTAIN

June Mountain is 20 minutes north of Mammoth Lakes, just off of Hwy 395. This family-friendly resort encompasses 500 acres and has a nationally ranked terrain park and half-pipe. Sierra Mountain Center is located at its base and offers backcountry ski tours and ice climbing instruction.
