

GUNSTOCK MOUNTAIN RESORT – OVER \$2.1 MILLION INVESTED in FUN

GILFORD, NH – Over 70 years of skiing history is located in one of the most beautiful places in New Hampshire. Whether you are looking for long cruisers, challenging steeps, glades or beginner terrain, Gunstock Mountain Resort has your trails covered. The resort has invested over \$14 million into the resort in the past 10 years with new lifts, increased snowmaking capacity and, new this fall, the longest zip lines in the continental United States, adding more yearlong fun to the mountain.

Gunstock Mountain Resort is the closest major ski resort in New Hampshire to Boston, only 90 minutes away. Had a long week at work or school? Sleep in and get up at the crack of noon. You can still ski or ride for over nine hours. Ski and ride all day and be home quickly, refreshed from your vacation. Experience big mountain fun without the big mountain lift lines. For the best views in New Hampshire, get on the Panorama High Speed Quad for a six-minute ride to the summit. The views are as beautiful as the conditions. The resort has 55 trails on 227 acres.

The BigAirBag – Gunstock has it. The BigAirBag is a fall cushion used in the world of professional stunts and offers the perfect and safest opportunity to practice all kinds of freestyle jumps. Gunstock purchased the 35- by 50-foot stunt bag in 2011. Kids, teens and adults alike line up to launch themselves off the jump to land safely in a cushion of air. Gunstock is leading the way with safety and fun with the BigAirBag, the first in New England and the only one in New Hampshire that is open full time to the public. Do a new move and improve.

Spend time laughing with your family and friends. Reconnect. Get to know your kids and grandkids again, no matter what their ages are. You learned here, now it is time

for them to learn about the sport of sliding and flying. If it has been awhile since you were on the mountain, go back and see what you have been missing. With free Wi-Fi, take some runs and answer your emails while having lunch – your boss will not even know you were gone. There is something for your entire family at Gunstock Mountain Resort.

THUMP, THUMP . . . THUMP, THUMP . . . The sound of your heart beat as you get ready to accelerate on the longest zip lines in the continental United States. After your training, you will head up the Panorama lift to the summit. From there you will zip to the top of the Recoil Trail, where you climb up the tower of the Recoil Zip travelling 3,981 feet to the summit of Pistol. You are not done yet. Climb the next tower, where you will get on the Pistol Zip and travel 3,809 feet over Blundersmoke Terrain Park. You control your speed; pull down the accelerator and reach speeds up to 55 miles per hour.

Get out of the open and into the glades. Gunstock has four glades, including Parallax. Explore skiing and riding between the birch and pines, off the beaten path and into the woods.

GPS (Gunstock Park Systems) has 16 acres of terrain in three parks. It includes Blundersmoke Park, 12 acres of fully lit park. Visit www.ridegunstock.com to get the low down on Sick Trick Sessions, upcoming events, competitions, and the update on what to hit next.

When other mountains are seeing the red lights, Gunstock is seeing the headlights. At Gunstock, you can ski and ride all day and into the night. Go out for Gunstock Rocks Saturday Night. Catch the winter thrill of night ski-

ing and riding on 22 trails and 5 lifts, tubing, rentals, live music and more. It is a different party every Saturday night for one low price. Gunstock is the cure for the midweek blues with a different deal every night.

Do you know a first timer? Gunstock invites you to try the nationally recognized award winning learn to ski or ride program – Mountain Magic™ – along with the Burton Learn to Ride™ program.
