

THE HYATT REGENCY LAKE TAHOE is the ULTIMATE WINTER DESTINATION KNOWN for WORLD-CLASS SKIING, ITS GROUNDBREAKING DINING and LUXURIOUS SPA

INCLINE VILLAGE, NV – The Hyatt Regency Lake Tahoe Resort Spa & Casino is among Lake Tahoe's most prized properties. Boasting an unbeatable location on the North Shore of Lake Tahoe with its own private beach and stunning 360-degree views of the surrounding Sierra Nevada Mountains, the resort is the ultimate wintertime destination for all types of families. Wintertime amenities and activities are almost too numerous to mention – from tackling double black diamond ski runs or taking a turn on the blackjack table, to relaxing at the spa or enjoying exceptional cuisine.

EXCEPTIONAL SKIING

Named one of the Top 50 Ski Resorts in North America for both 2007 and 2008 by Conde Nast Traveler magazine's readers' poll, Hyatt Regency Lake Tahoe is located at an elevation of over 6,000 feet and just a short ride to some of the country's top skiing destinations. This winter season, Hyatt Regency Lake Tahoe entices skiers of all levels with three spectacular packages to the area's top ski destinations that make this winter vacation fun and surprisingly hassle-free.

The Diamond Peak Ski Package includes deluxe accommodations and two adult lift tickets to the ski area, while the Alpine/Homewood Ski Package allows an opportunity to experience both mountains on one trip (three-night minimum). Hyatt Regency Lake Tahoe also offers a catch-all ski package that includes two adult tickets per night's stay to your choice of Squaw Valley USA, Northstar, Heavenly, Mt. Rose, Alpine Meadows, Homewood or Diamond Peak. Leave the car at home, all mountains provide complimentary shuttles (check with the concierge for schedule). Other perks abound with complimentary valet parking, ski valet and shuttle service within Incline Village, and \$5 casino match coupon, among the other amenities available to guests of the resort.

CLASSIC TAHOE LUXURY

Hyatt Regency Lake Tahoe Resort, Spa and Casino's "New Grand Lodge" offers sweeping lake and mountain

views from the 422 guestrooms, including suites and lakeside cottages. This lakeside resort captures the essence of classic Tahoe luxury in the magnificent 1920s grand lodge design style, incorporating rough-hewn beams, rich leathers, and massive granite features throughout. Each of the resort's guestrooms offers sweeping lake or mountain views along with a cozy ambiance and state-of-the-art amenities. The Lakeside Cottages, located right on the shores of the Lake, are by far the most coveted.

INDULGENT SPA

The resort is also home to one of the region's largest and most indulgent spas. The 20,000-square-foot Stillwater Spa and Salon offers everything from sports massages to acid peels in addition to salon services. To combat wind-blown skin, book a new Pumpkin Spice Body Polish – the massage with Pumpkin Honey Mask, a dreamy mix of warm pumpkin, cinnamon, vanilla and honey, and the rich Pumpkin Spice Whipped Body Butter to finish, leaves skin incredibly silky and delicately scented. Sporty types will also appreciate the Hyatt Stay Fit gym and lagoon style swimming area with a year-round, heated pool and two oversized jet spas.

APRÈS SKI

After hitting the slopes, après ski in Lone Eagle Grille's Great Room is not to be missed. The bar's innovative cocktails are even more delicious when paired with vocals and acoustic guitar music performed by long-time Hyatt favorite Luke Stevenson. For a unique treat, enjoy your handcrafted martini beside the blazing fire of Lone Eagle's outdoor fire pits, right next to the resort's private beach.

HIGH SIERRA CUISINE AT LONE EAGLE GRILLE

For an exceptional dining experience that truly exemplifies the spirit and flavor of the region, epicureans will love Lone Eagle Grille Chef de Cuisine Mark May's newly defined High Sierra Cuisine. When he's not discovering new terrain backcountry skiing, Chef May is creating creative wild game and meats dishes evocative of the mountain

destination combined with inspired fresh seafood preparations and the best regionally sourced, seasonal produce. This winter, High Sierra Cuisine means sophisticated yet approachable comfort foods.

Sensational seafood makes headlines (it is flown in daily) along with plump wild Yellowfoot Chanterelles mushrooms, briny northwestern oysters, and richly flavored game meats. Indulge in Butter-Poached Sea Bass, Braised Leeks, Pesto Polenta, and Tomato Caper Salsa or Rack of Colorado Lamb with Ratatouille, Chickpea Fries and Tomato Garlic Lamb Jus.

CAMP HYATT

Camp Hyatt is a fun and educational experience. With the experienced staff of Camp Hyatt, little ones are entertained with games, movies, mountain-themed activities, and maybe an occasional trip to the in-house game arcade, while parents have a bit of time to enjoy themselves, as well.

COZY CASINO

As if that weren't enough, the resort offers top-notch gaming at the Grand Lodge Casino. A far cry from the glitz of South Shore's casinos, Hyatt's casino (temptingly located just off the lobby) is a decidedly classy alternative, echoing the gracious lodge-themed style of the rest of the resort.
