Boasting an unbeatable location on the North Shore of Lake Tahoe with its own private beach and stunning 360-degree views of the surrounding Sierra Nevada Mountains, the resort is the ultimate wintertime destination for all families. Wintertime amenities and activities are almost too numerous to mention — from tackling double black diamond ski runs or taking a turn on the blackjack table, to relaxing at the spa or enjoying exceptional cuisine.

### EXCEPTIONAL SKIING

Named one of the Top 50 Ski Resorts in North America in for the past six consecutive years by Conde Nast Traveler magazine's readers' poll, Hyatt Regency Lake Tahoe is located at an elevation of over 6,000 feet and just a short ride to some of the country's top skiing destinations. This winter season, the resort entices skiers of all levels with three spectacular packages to the area's top skiing destinations, making this winter vacation fun and surprisingly hassle-free. The Diamond Peak Ski Package includes deluxe accommodations and two adult lift-tickets to the ski area.

Hyatt Regency Lake Tahoe offers a catch-all Ski Package that includes two adult tickets per night's stay to your choice of Squaw Valley USA, Northstar, Heavenly, Mt. Rose, Alpine Meadows, Homewood or Diamond Peak. Leave the car at home; all mountains provide complimentary shuttles (check with the concierge for schedule). Other perks abound with complimentary valet parking, ski valet and shuttle service within Incline Village, and \$5 casino match coupon, along with the other amenities available to guests of the resort.

### CLASSIC TAHOE LUXURY

Setting the standard in Lake Tahoe, Hyatt Regency Lake Tahoe Resort's is transforming 398 of their guestrooms and

suites with an \$18 million renovation featuring a new, contemporary and luxurious "Grand Lodge"-style look. Scheduled to be completed in April 2012, each room will feature new oak floating headboards, credenzas and nightstands with touches of brushed steel and dark leather, a newly remodeled bathroom featuring contemporary back-lit mirrors and modern showers, "jack packs," all-in-one multimedia hubs that easily pair the television with laptops or DVD players, and locally-themed artwork.

The resort also offers 24 Lakeside Cottages, located right on the shores of the Lake, which are by far the most coveted. As another perk, all guests receive complimentary guestroom Internet access.

### INDULGENT SPA

The resort is also home to one of the region's largest and most indulgent spas. The 20,000-square-foot Stillwater Spa and Salon offers everything from sports massages to Brazilian Blow-outs. To combat dry skin this winter, guests can enjoy a "HydraFacial" treatment, the newest advance in non-laser skin resurfacing and the only spa in the area to offer this exclusive treatment. The Double Tranquility massage provides double the relaxation during a 50-minute four-handed treatment that uses organic oil infused with butterfly bush extract, distilled orange water, and buriti oil. Sporty types will also appreciate the Hyatt Stay Fit gym and lagoon-style swimming area with a year-round, heated pool and two oversized jet spas.

### APRÈS SKI

After hitting the slopes, après ski in Lone Eagle Grille's Great Room is not to be missed. The bar's innovative cocktails are even more delicious when paired with vocals and acoustic guitar music performed by long-time Hyatt favorite Luke Stevenson. For a unique treat, enjoy your handcrafted martini or s'mores beside the blazing fire of Lone Eagle's outdoor fire pits, next to the resort's private beach.

### HIGH SIERRA CUISINE AT LONE EAGLE GRILLE

For an exceptional dining experience that truly exemplifies the spirit and flavor of the region, epicureans will love Lone Eagle Grille's High Sierra Cuisine. Boasting a spectacular lakefront setting, Lone Eagle Grille is a perfect spot to enjoy panoramic views, fresh seafood and creative wild game dishes evocative of the mountain destination, all paired with spectacular wines from the restaurant award-winning wine list, recently recognized with a 2011 Wine Spectator award.

### CAMP HYATT

A fun and educational experience with the experienced staff of Camp Hyatt, little ones are entertained with games, movies, mountain-themed activities, and maybe an occasional trip to the in-house game arcade while parents have a bit of time to enjoy themselves, as well.

### COZY CASINO

As if that were not enough, the resort offers top-notch gaming at the Grand Lodge Casino. A far cry from the glitz of South Shore's casinos, Hyatt's casino, temptingly located just off the lobby, is a decidedly classy alternative, echoing the gracious lodge-themed style of the rest of the resort.

## BIG NEWS in TAHOE as SQUAW BUYS ALPINE

### Skiers salivate at the possibilities

OLYMPIC VALLEY, CA and ALPINE MEADOWS, CA -- Squaw Valley and Alpine Meadows Ski Resort announced on September 27, 2011, that the two North Lake Tahoe ski resorts have agreed to combine operations under common ownership and offer season passes and lift tickets that will allow guests to enjoy skiing and riding on both mountains.

Squaw Valley, known for its expansive, legendary terrain — over 3,600 acres — and the host site of the 1960 Winter Olympics, opened for skiing over 60 years ago. Alpine Meadows opened in December, 1961 and quickly gained and maintained a reputation for its varied terrain, friendliness and family atmosphere.

The two resorts create a mountain experience like no other in Calif, with over 6,000 skiable acres of varied terrain spread across eight mountain peaks. They receive some of North America's highest average annual snowfall. The two resort roads are less than a ten minute drive from each other on Tahoe's North Shore.

"Combining Alpine Meadows and Squaw Valley will provide our guests something truly remarkable — a mountain experience unmatched in California," said Andy Wirth, president and CEO of Squaw Valley. "The all new Tahoe Super Pass and Tahoe Super Six allowing guests, with one pass, to access both of these incredible mountains provides unmatched value," said Wirth. Wirth will take the helm as the president and CEO of the new combined entity resorts.

"As a long-time skier with a family dedicated to Tahoe, I'm excited to bring these two remarkable resorts together and we agree that a key element of success is maintaining each resort's character," said Todd Chapman, president and CEO of JMA Ventures (JMA), owner of Alpine."

The companies also announced an all new dual mountain season pass and six day card. All info on both the Tahoe Super Pass and the Tahoe Super Six, available for \$399, can be found at [www.squaw.com/season-pass](http://www.squaw.com/season-pass) or by contacting the Squaw Valley Resort and Activity Sales Department at 1-800-403-0206.

North Lake Tahoe is a 45-minute drive from the Reno Tahoe International Airport and two hours from the Sacramento airport.
