

# GRAND SIERRA RESORT & CASINO – RENO'S COMPLETE ALTERNATIVE

RENO, NV – Just five short minutes from the Reno/Tahoe International Airport, the Grand Sierra boasts Reno's most complete resort destination. The property is nestled in the Sierra Nevada, just 45 minutes from Lake Tahoe. It is the best that a fun-filled vacation has to offer, with close proximity and access to over 40 golf courses, a dozen legendary ski resorts, hiking, biking and equestrian trails and so much more.

With more than \$90 million in renovations, the Grand Sierra offers unrivalled attractions, including Reno's sexiest sports bar Xtreme, an 80,000-square-foot casino with non-stop gaming action and a 1,800-seat theatre with headlining entertainment. In addition, there are branded retail shops, 14 restaurants and bars, and a world-class casino.

That is not all. You will also find a sports book and spa, lakeside driving range with six island greens, golf simulator, thrill rides, go-cart track, jogging and walking track, shopping promenade, a 40,000-square-foot family arcade, parlor games, simulator rides and laser tag arenas, 50-lane bowling alley, bungee jumping, dinner and movie theater, wedding chapel and more.

Innovative and exquisite dining is something Grand Sierra is known for. Charlie Palmer Steak and Fin Fish are two world-renowned restaurants under the direction of Charlie Palmer, Reno's first celebrity chef. Charlie Palmer Steak features artisan meats and a trademark eclectic wine collection. Palmer extends his turf to the surf with his premier seafood concept, Fin Fish, offering wide-ranging seafood favorites and a premier wine bar.

Another dining favorite includes Briscola, Charlie Palmers third masterpiece, offering a wide variety of modern Italian cuisine, with a hint of the old world. Casual fare is also offered throughout the property at restaurants such as Café Sierra, Johnny Rockets and the Lodge Buffet.

Looking for a more luxurious visit? Stay in one of the newly transformed Summit suites. These guest rooms and suites are located on the highest floors, offering breathtaking views, spa inspired bathrooms, kitchenettes and so much more.

For the avid sports enthusiast, catch a game at the newest sports bar and lounge, Xtreme, or mingle with the guests at 2500 East. Other amenities include a 50-lane bowling center, family amusement arcade, and Grand Sierra Cinema, showing feature films for only \$3.

When you pair all the amenities and service with the exceptional outdoor recreation that America's Adventure Place has to offer, everything from hiking, biking and kayaking to skiing, golfing, and boating, you have a truly extraordinary resort.

Only 45 minutes from excellent skiing, choose from exceptional resorts, including Northstar, Mt. Rose, Diamond Peak, Alpine Meadows, Homewood, Sugar Bowl and Squaw Valley.
