With twelve nonstop cities and hundreds of international connections flying into the newly expanded airport (JAC), Jackson Hole is one of the most easily accessed destination resorts in the Rockies.

RPK 3

Locals in ski areas claim that there are no friends on a powder day. That can now change with RPK 3, the newest slope-side dining establishment in Teton Village. Conveniently located adjacent to the Tram, RPK 3 is the kitchen and bar offering fast casual lunch, fun après scene and everything in-between. With a menu that will satisfy each type of skier and rider, there is a mix of healthy, comfort food, and hot and cold beverages for mountainous appetites. Find a friend or two, and post up at RPK 3 to keep your body fueled up for all the special days on the slopes.

Solitude Station: The New Standard in Learning

Solitude Station is the latest offering in Jackson Hole’s continued devotion to skier progression and the family experience. The newest on-mountain center for learning and growing at JHMR for kids and adults alike, Solitude is located a short 2-minute gondola ride from the base area. The expansive lodge at the Sweetwater Gondola mid-station, thoughtfully designed with 12,000 square feet of dining, rental, and the Mountain Sports School home base, is a premiere amenity for many guests looking to improve their skiing and riding. Geared for kids ages 7 and up, as well as families and group lessons, Solitude Station is designed to maximize learning development in an empowering and constructive atmosphere. This is a state-of-the-art concept unique to Jackson Hole and its unmatched mountain environment. The building will be open for family après experiences at peak times of the year and available for private events both summer and winter.
