Enjoy the best accommodations Mammoth Lakes has to offer with Snowcreek Resort Vacation Rentals' luxurious condominiums set within an authentic alpine village just minutes away from Mammoth Mountain. Choose from a variety of one- to four-bedroom spacious floorplans, select or premium ratings, upstairs or downstairs, spectacular views of Mammoth Mountain Ski Area and the surrounding Sierra Nevada Mountains and accommodations with garages. All vacation rentals come well equipped with full kitchens, wifi, upgraded electronics, cable TV, in-room washers and dryers and complimentary supply delivery upon request for a carefree and memorable vacation experience. Midweek and weekend rates, multi-night discounts, seasonal specials and lodging packages are offered throughout the year. If you plan to fly to Mammoth Lakes, Snowcreek Resort offers complimentary round-trip taxi service to Mammoth/Yosemite Airport for their guests.

Guests of Snowcreek Resort also receive complimentary access to Snowcreek Athletic Club, the Eastern Sierra's premier fitness and recreation facility. This facility offers a wide range of services and amenities for Snowcreek Resort residents and guests ranging from the Double Eagle Spa, Bistro, tennis courts, racquetball courts, trampoline rooms, martial arts, yoga, Pilates, dance and many other wellness classes. The Club also features saunas, hot pools, and both indoor and outdoor swimming pools. The Club is a perfect complement to the abundance of outdoor activities that encourage wellness and healthy living.

During the summer months, guests also enjoy reduced rates and preferred tee times at Snowcreek Golf Course. This alpine course, designed by Ted Robinson, is Mammoth's first and finest golf course, nestled between the Sherwin and Mammoth Mountain Ranges. Each hole is framed by scenic panoramic mountain views in every direction. This public resort, 9-hole golf course, par 35, plays 3,306 yards from the back tees and features some of the fastest and truest bent greens that the Eastern Sierra has to offer. A series of streams and water hazards on seven of the nine holes and well-bunkered greens make playing at an elevation of 8,000 feet quite a scoring challenge.

Snowcreek Resort connects you and your family to an abundance of alpine adventure all year round. During the winter, you can enjoy excellent skiing and snowboarding on Mammoth Mountain and June Mountain Ski Areas with miles of groomed and open trails for beginners to experts. Groomed and untracked trails are available throughout the area for cross-country skiing, snowshoeing, dogsledding, snowmobiling and much more.

Summer brings even more opportunity for recreation with golf, hiking, water sports, horseback riding or just soaking in the sun. For the avid mountain biker, Mammoth Mountain Bike Park offers some of the most diverse and challenging terrain around. The Eastern Sierra is also world famous for trout fishing. Numerous derbies and tournaments are held during the summer. Alternatively, just find your own private stretch of river or lake. The

summer months are packed with festivals and concerts that bring outstanding entertainment to the Eastern Sierra. This season is also dotted with arts and crafts shows and other cultural events.

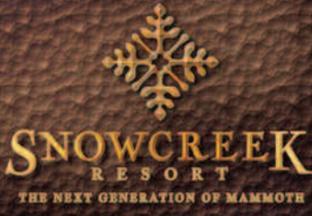

If your dream is to make Mammoth Lakes your permanent address or second home, experience creek side living and serene landscapes from the comfort of a new luxury retreat at Snowcreek Resorts' newest enclave Creek-House. CreekHouse offers spacious three- to four-bedroom plans, each with gourmet kitchen, generous outside living spaces and a two-car garage.

The distinctive, rustic exterior architecture blends with the surrounding landscape while the newly designed interiors boast a rustic modern look complete with two different design schemes. Join the generations of families who call Snowcreek Resort home and enjoy all of the traditions and experiences of mountain living.
