WELCOME to SKIER NEWS 109 - Our annual "What's New, Travel Planner and Ski Show" edition. This is our 31st year, edition 109, and another time to say "thank you" to our readers and advertisers. SKI SHOWS WILL HELP YOU PREPARE FOR ANOTHER GREAT SKI SEASON

From equipment, freestyle demonstrations and deals on lodging and season passes, ski resorts will invade major U.S. cities to help you prepare for the upcoming season. Some shows offer free ski area lift tickets with your show entry ticket; others have wine and beer tasting events within the show. Use the links below to log on to the show nearest you and see what offers await you. Many, many free lift tickets and other good items will be given away. In the show, get a big bag to collect all your swag!

The Boston Ski and Snowboard Expo, Nov. 8-11, is one of the largest in the U.S., and attendance for this four-day event is usually more than 35,000 ski and snowboard enthusiasts. Like the other shows, reps will answer your equipment questions, and ski resorts will be on hand with discount pass offers and discounted lodging packages. Many ski resorts from Maine to California are represented. Quebec and Western Canadian resorts are present as well. As with most shows, there is entertainment, food, sales, swaps and a great way to get ready for the upcoming winter.

Of the many shows throughout the U.S., the larger ones are listed below with web addresses. Also check with your local ski clubs, councils and local ski shops for shows, tent sales and pre-season bargains.

Plan to attend the expo, Nov. 8-11, at Boston's Seaport World Trade Center, and see us when you are there. We will be giving away copies and some lift tickets at our SKIER NEWS booth, number 107.

Copyright October, 2018, The Skier News, Inc. S.S.N. 1094-0960 Vol. 31 Issue 109. We are now printed on gluten free paper with no GMO's! SKIER NEWS, published by The Skier News, Inc., a New Jersey Corporation, distributes three national and five regional editions for the ski season, from October through April. These double issues are labeled October-November, December-January and February-Spring, Summer and Fall issues are published online at www.skiernews.com and www.skiernews.net. The inaugural issue was published November, 1988. For the ski industry, that was eons ago. SKIER NEWS gratefully acknowledges the assistance of all of the fine organizations associated with skiing and we are by concept dedicated to promote skiing. We believe that the term "skiing" should be the all-comprehensive, generic term for all snowsports. Appreciation is hereby, once again, proclaimed to Mark Bunzel, now of Washington state. His original technical and computer suggestions, in 1988, helped make the first issue possible. Now he publishes Fine Edge boating books in the Pacific northwest. Thanks again to the pre-press and press room staff of Roger, Brad, Dick, Dan, Jim, Chris, Joe and many, many more.

SKIER NEWS is published in the shadows of the beautiful but now defunct, formerly rope-tow serviced Belle Mountain Ski Area in Hopewell, New Jersey, Exit 7-A. Printed in New Jersey off of Exit 3. No animals were killed or maimed in the production of this publication. This publication was not tested on animals. Unsolicited manuscripts will be used as kindling for our office wood stove or deleted with a loudly vocal "woo-hoo." One more thing, we do not use a period to end a sentence when that sentence ends with a web address, URL. Some knuckleheads might think that the period is part of the web address! Not you, of course, but the guy who picked up the copy just before you or maybe the other guy also at the rack, but don't stare. Just in case we forgot to eliminate one, you would know better than to use the period. Thanks. Why are you still reading this fine print?

Thank you for reading SKIER NEWS, and thanks for using the phone numbers, web links and codes in SKIER NEWS to help you plan your ski trips.
