### HOLIDAY HAUS MOTEL AND HOSTEL

Holiday Haus underwent a major renovation in the summer of 2011. Guests have witnessed an impressive transformation in which their 15 modest rooms were renovated into lovely historical-interest spaces. Each room has brand new linens, down comforters and pillows, re-done flooring and new furniture. Most rooms are equipped with gas fireplaces, mini-fridges and microwaves. An outdoor hot tub with a completely re-built and re-painted deck is a nice place to relax.

As part of Mammoth's rich history in a key spot on Mammoth's Main St. for over 50 years, this landmark motel is still priced for budget-conscious travelers, but now offers an updated take on this true classic. The major renovation debuted a few years ago to rave reviews. In addition to updated furniture, bedding, flooring and fixtures, all Holiday Haus motel rooms are theme decorated with archival photos and posters from the old days of Mammoth. Owner Nadine Jones worked with curator of the Hayden Cabin for the Southern Mono Historical Society Mark Davis to give each room a unique personality.

New for this winter, the "Casitas" are perfect for a family having one king bed, pull out couch and full kitchen.

Their new double-king chalet is the ultimate lodging facility with two king bedrooms, fold out couch in the living room and master bedroom. It also has two baths, a dining room and full kitchen.

For one of the most impressive hostel-type accommodation you will find in a ski town, check out their brand new European style hotel and modern hostel. In addition to the bedrooms, it has a large communal kitchen, TV lounge and reading area.

The property is located about a five-minute walk from the Village at Mammoth to access the Village Gondola to begin your ski day. It is also convenient to the free shuttle bus service.
