

CEDAR HOUSE SPORT HOTEL

North Tahoe's eco-friendly lodge has a great restaurant, discount ski deals and is within 30 minutes of five great resorts

TRUCKEE, CA – The Cedar House Sport Hotel, located just outside Historic Downtown Truckee, fuses innovative green architecture with the best of contemporary design.

Described as a stunning combination of hip and organic, The Cedar House incorporates a number of eco-friendly elements, bringing a fresh and environmentally-conscious style to the Sierra.

It is nestled in the Martis Valley area of Truckee, just minutes from world-class mountain recreation. Featuring 42 rooms and suites, Cedar House has all the modern conveniences, from flat screen TVs, to heated bathroom floors, to fine Egyptian cotton linens and robes. You will not have to sacrifice comfort and luxury to go green.

The Cedar House Sport Hotel is the dream work of your hosts, Jeff and Patty Baird. The concept of a Sport Hotel is based on the Baird's annual trips to the European Alps. In the Alps, families run hotels that offer a relaxed, casual atmosphere.

The hotels are called "sporthotels," emphasizing the mountain recreation or "sport" aspect of the region. The Cedar House offers a warm, family run, hospitality experience, similar to a bed and breakfast but with all the privacy and convenience of a modern boutique hotel and with great dining.

A few years after opening the hotel, Jeff and Patty added a dining area and banquet facilities and named it Stella. They hired the well-known Tahoe area culinary expert Chef Jacob Burton. His harmonious cooking style is evident, and he brings his strength and passion for "everything cooking" to the hotel. Cedar House has now become as famous for its excellent cuisine as for its amenities.

Stella incorporates the breathtaking nature of the local environment, balancing fresh produce grown from The Cedar House's gardens with simple ingredients, creating food that is warm, comforting and inviting. An intimate, relaxing environ-

ment enriches the Stella experience. Dinner service is not nightly but can be arranged for families and groups, call for details at 1-866-582-5655.

Stella also features a "Pop Up Dinner Series." Please find out more online at www.cedarhousesporthotel.com/stella

The hotel is near all north shore resorts, Northstar is close by. Diamond Peak, Squaw Valley, Alpine Meadows and Sugar Bowl are a 30-minute drive.
